SUPPLEMENTARY INFORMATION:

Background

Commerce published the notice of initiation of this administrative review on July 10, 2020, covering 97 companies.¹ On October 8, 2020, requests for review were withdrawn for all but the following six companies: CRRC Changzhou Auto Parts Co. Ltd. (CRRC); Jiangsu Asia-Pacific Light Alloy Technology Co Ltd. (Jiangsu Asia-Pacific); (3) Kanal Precision Aluminum

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 85 FR 41540, 41541 (July 10, 2020) (*Initiation Notice*).

Product Co. Ltd (Kanal Precision); (4) Uniton Investment Ltd. (Uniton); (5) Wellste Material (Wellste); and (6) Kingtom Aluminio SRL (Kingtom).²

For a complete description of the events that followed the initiation of this review, *see* the Preliminary Decision Memorandum, which is dated concurrently with and hereby adopted by this notice.³ A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>.

Scope of the Order

The merchandise covered by the order is aluminum extrusions which are shapes and forms, produced by an extrusion process, made from aluminum alloys having metallic elements corresponding to the alloy series designations published by The Aluminum Association commencing with the numbers 1, 3, and 6 (or proprietary equivalents or other certifying body equivalents). For a full description of the scope, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For purposes of this review, Commerce preliminarily finds that all programs previously countervailed in prior segments of this proceeding remain countervailable – that is, they provide a financial contribution within the meaning of sections

² In the *Initiation Notice*, Commerce inadvertently misspelled the company name listed above. *See Initiation Notice*, 85 FR 41545. The correct spelling of this company is identified herein. *See, e.g.,* Kingtom's Letter, "Aluminum Extrusions from the People's Republic of China: Certification of No Sales, Shipments, or Entries," dated August 20, 2020.

771(5)(B)(i) and (D) of the Act, confer a benefit within the meaning of section 771(5)(B) of the Act, and are specific within the meaning of 771(5A) of the Act.

For a full description of the methodology underlying our preliminary conclusions, including our reliance on adverse facts available (AFA) pursuant to sections 776(a) and (b) of the Act, *see* the Preliminary Decision Memorandum. As explained in the Preliminary Decision Memorandum, Commerce relied on AFA for three companies (*i.e.*, Jiangsu Asia-Pacific, Wellste, and Kingtom) because these companies did not act to the best of their ability in responding to Commerce’s requests for information; therefore, we have drawn an adverse inference, where appropriate, in selecting from among the facts otherwise available.⁴ For further information, *see* “Use of Facts Otherwise Available and Adverse Inferences” in the Preliminary Decision Memorandum.

Intent to Rescind Review, In Part

For those companies named in the *Initiation Notice* for which all review requests have been timely withdrawn,⁵ we intend to rescind this administrative review in accordance with 19 CFR 351.213(d)(1). These companies are listed at Appendix II to this notice. For these companies, Commerce intends to assess duties at rates equal to the rates of the cash deposits for estimated countervailing duties required at the time of entry, or withdrawn from warehouse, for consumption, during the POR, in accordance with 19 CFR 351.212(c)(2).

Preliminary Rate for Non-Selected Companies Under Review

There are three companies for which a review was requested and the request not withdrawn, that were not selected for individual examination as a mandatory respondent or found to be cross-owned with a mandatory respondent, and to which we are not applying AFA (non-selected companies). Because we did not have information on the record that permitted selection of a mandatory respondent in this review, we have not calculated a rate for any mandatory

respondent that can be used for determining the rate applicable to non-selected companies. Therefore, for these preliminary results, we based the non-selected companies' rate on the subsidy rate calculated for a mandatory respondent in the 2014 administrative review of this countervailing duty order, which is the most recent administrative review of this proceeding in which we calculated a non-AFA subsidy rate that was above *de minimis* for a mandatory respondent. This is consistent with the approach followed by Commerce in other proceedings under similar circumstances.⁶ For further information, refer to the section in the Preliminary Decision Memorandum titled, "Non-Selected Companies."

Preliminary Results

Commerce preliminarily determines that the following estimated countervailable subsidy rates exist:⁷

Company	Ad Valorem Rate (Percent)
CRRC Changzhou Auto Parts Co. Ltd.	16.08
Jiangsu Asia-Pacific Light Alloy Technology Co Ltd	242.15
Kanal Precision Aluminum Product Co. Ltd	16.08
Kingtom Aluminio SRL	242.15
Uniton Investment Ltd.	16.08
Wellste Material Co Ltd	242.15

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act, we intend to issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their comments, within 120 days after issuance of these preliminary results.

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts shown above for the producer/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. For the companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2019, through December 31, 2019, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the *Federal Register*. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

Pursuant to section 751(a)(2)(C) of the Act, Commerce also intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts indicated above for each company listed on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final

results of this administrative review. For all non-reviewed firms, we intend to instruct CBP to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

These preliminary results are issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).
